To MOTH SAILORS,  
All around the World,

## INVITATION TO THE WORLD CHAMPIONSHIPS

Dear Moth Sailors,

It is with great pleasure that I invite you to come and sail here in les Sables d'Olonne for the 2003 WORLD CHAMPIONSHIPS at the end of August. I wish you great sailing and fun on shore, and I look forward to shaking hands with the new Champion when it's all over.

The NOTICE OF RACE should answer most of your questions about the organisation of the event. Please read it carefully and send in your entry as soon as possible to enable us to finalise all the details. We will of course try to help you with any other questions or requests. Just let us know.

As you know, the SPORTS NAUTIQUES SABLAIS is a busy club, mixing dinghy, catamaran and windsurf sailors with keelboat sailors and round the World yachtsmen through the VENDEE GLOBE and other events. This year we are hosting part of the FIGARO race around France, and we have the opportunity to invite you to enjoy a days racing, on 31 August, from La Rochelle to les Sables on these state of the art keelboats on one of their lay days. We can offer places for skippers and crew depending on your experience, and of course the best racing crews from les Sables will be keen to see if Moth sailors can go fast on other boats and avoid capsizes !

If you want to take this opportunity, please fill in the enclosed form so we can allocate berths. The boats should have a crew of six, so give details of who you want to sail with. The organisers reserve the right to allocate boats to skippers, so please give details of your experience so we can validate your entry.

I look forward to meeting you all in August. May the best sailor win !

Amicales salutations,

Michel POITEVINEAU
